

The SGA Network update

Dubai, United Arab Emirates

26th-28th October 2014

Hyatt Regency Hotel Dubai

5th SGA Network Meeting, Dubai, UAE

Meeting objectives

- Showcase progress and achievements of the Network and its members throughout 2013 and 2014;
- To share information, lessons and experiences of undertaking and using ecosystem assessments;
- To highlight emerging tools, methods, concepts and issues in the evolving field of ecosystem assessment;
- To provide a platform for peer to peer learning;
- To provide an opportunity for networking amongst our members; and
- To outline a vision for the future of the Network.

Sub-Global Assessment Network

Welcome to the discussion forum of the **Sub-Global Assessment (SGA) Network**! This is an online space for members of the SGA Network, ecosystem assessment practitioners, decision- and policy-makers with an interest in ecosystem services and assessments, and any other interested individuals or organisations to share their work, to ask questions, to collaborate and to generally come together and share information, knowledge and experiences with regards to all things ecosystem assessment and ecosystem services related!
